Hello Fundraiser Leader.

Thank you for your interest in Briggs Medical Supply Fundraising. We have been serving the healthcare industry for over 60 years. We are bringing our reputation for high quality medical supplies to you for a healthy fundraiser.

With our aging population and increasing awareness of health related issues, it's no surprise that home medical supplies are emerging as one of the most innovative trends in fundraising opportunities. Imagine the opportunity to not only raise money for your organization but also provide necessary, though often overlooked home medical supplies to others in your community.

Clearly, the possibilities are endless. Who doesn't have a friend, relative or co-worker that needs one of these essential healthcare supplies? Whose mind would not be put at ease to know that a loved one will have access to the necessary medical tools should the need arise? Unlike most other fundraising opportunities, these are items that will enhance the long-term quality of life of your friends and family.

We encourage you to take advantage of this cutting edge opportunity and in doing so, make your community a healthier and safer place!
